We can enable your pool to go through the world of problem solving technique to leadership enrichment by designing and fabricating the course contents, like;</p> <ul style="list-style-type: none"> • Quality Management System • Quality Tools & techniques • Health & safety evaluation • Strategic planning • Six Sigma • Blue Ocean Strategy • Ergonomics hazards • Time and motion study • Statistical process control • Data Analysis tools • Lean Supply chain • Team Building & Motivational programs

Our Value

We are committed to helping our clients make distinctive and substantial improvements in their performance by identifying the breakthrough opportunities for growth, creating a competitive edge and maximizing the revenue, profitability and shareholder value. our consultants do more than just leave a client with a book of recommendations.

Our consultants work with the client as partners to take the crucial next step in assisting the client's implementation of those Recommendations.

This implementation phase is one of the key factors that set Bilal Consultancy apart from other consulting firms. Without helping the client implement recommendations, a consulting firm's job is only half done

Vision Statement "To be the best, by serving the best, in a best possible manner"

Why Us

- With a highly motivated team at board, we assure you a new dawn full unleashing the true potential by diminishing the wastages and variations "black factory" from the systems.
- As company outsiders, we are often able to see what the insiders can not, thus enabling us to develop the best possible long-term tactical plan for the client, which is then often altered upon attainment of newfound knowledge and information

"Change is inevitable, Progress is Optional"
